

Cyber

Supporting businesses facing increasingly complex cyber risks

Contour Cyber is a specialist cyber insurance MGA. The business has been built around an ethos of strong underwriting and to capitalise on the growth opportunity in the global cyber insurance market. Through our deep underwriting expertise, we have focused on the critical areas to build a profitable Cyber portfolio: Underwriting philosophy and product distribution, exposure management and technology, and a fit-for-purpose claims offering. Contour is uniquely positioned to access under-penetrated SME and mid-market segments globally.

In addition to adhering to the highest underwriting principles, Contour Cyber delivers clients a full suite of services, including threat intelligence, exposure management, unrivalled data analysis to enable proactive response, and first-class claims service. Thus, we provide our clients with the peace of mind they are supported throughout their cyber policy lifecycle.

We offer:

- £/\$/€5m Primary
- £/\$/€10m Excess
- Cyber and Tech E&O
- Broad distribution via bolt-on, SME, and Open Market

At Contour, our specialty lines MGA operates under one unified umbrella, attracting long-term capacity partners with expertise in complex risks. We are empowered, experienced underwriters who share a passion for delivering solutions that put client needs first. And, just as important, we do it with a friendly, approachable style that makes collaboration effortless.

We utilise an MGA model that gives entrepreneurial underwriters the freedom to craft tailored solutions for every client. By embracing the bionic underwriting approach, we blend the art and science of underwriting to create an environment focused on profitable outcomes for our carrier partners.

Our team brings deep industry knowledge and a client-first mindset – expertise you only get from a specialised underwriting partner. If you're facing an underwriting challenge, we're here to help. Our experts deliver the best results for your customers, and our entire business is designed to help you succeed.
